

Valeria D'Amico

Consultant

B.Sc. FHZ in Business Administration with specialisation in Tourism and Mobility

Valeria D'Amico is a consultant and junior business analyst and has been with Hanser Consulting AG since 2019

Valeria D'Amico advises public administrations, institutions and companies on economic policy and business management issues. She also advises energy supply companies at Eichenberger Beratung und Unterstützung AG - a subsidiary of Hanser Consulting AG.

Before joining Hanser Consulting AG, she graduated with a Bachelor of Science in Business Administration from the Lucerne University of Applied Sciences and Arts (FHZ), specialising in tourism and mobility. Valeria D'Amico gained professional experience at the State Secretariat for Economic Affairs in Bern, where she worked as an IC consultant during her part-time studies. During this time, she was able to gain practical knowledge in advising and supporting clients in technical and professional matters relating to specialist applications of unemployment insurance. Another focus was the development and continuous optimization of the IT service desk. Valeria D'Amico has obtained the certificates Hermes 5 Foundation and ITIL Foundation.
