

Patricia Fritschi

Project Leader

CAS in Mediation

Degree in Business Administration (specialising in finance)

Patricia Fritschi is a project leader and has been working at Hanser Consulting AG since 2011

Patricia Fritschi primarily advises companies and public institutions on economic policy, regional and business administration issues. She also provides support for companies, administrations as well as for regions as part of the organisational development, reorganisation and restructuring programmes, as well as in the areas of organisational and financial business planning.

As a management and personality trainer, she provides support for individuals and teams in their individual development processes, the aim being to strengthen their personal leadership skills and organisational effectiveness.

Patricia Fritschi gained professional experience with, amongst others, a Zurich private bank where she was responsible for process management projects, as well as for the organisational development on the management level.

As a mediator, she assist organisations, teams as well as private individuals in finding viable solutions.

In the finance sector, she was also responsible for strategy and corporate development in various roles with different companies.

As product manager for pension products she was responsible for the development and market launch, as well as for marketing and training. Patricia Fritschi also gained practical knowledge in training where she worked in Key Account Management to ensure the efficiency of the training.
