

Dr. Jürg Kuster

Project Leader

Dr. phil. nat.

Jürg Kuster is a Project Leader and has been working for Hanser Consulting AG since 1987

During his many years acquiring experience as a consultant, Jürg Kuster gained a deep insight into the subjects of business, energy, the environment, transport, regional planning, education and finance. In this context, he provides support for public corporations and the public sector in the development of strategies on a dialogue-driven basis, as well as in monitoring and controlling for the implementation of programmes and measures.

His core areas of expertise include support for and producing comprehensive evaluations of the execution and impact of programmes and projects of political bodies, as well as specific topics with a national or regional economic background.

Before joining Hanser Consulting, Jürg Kuster worked as an assistant in the Department of Geography at the University of Zurich and as a secondary school teacher in Zurich.

From 1997 to 2013 Jürg Kuster was also a lecturer on regional economic and regional policy matters at the Faculty of Mathematics and Science at the University of Zurich.
